Option #1 Simplist

The screenshot shows the CV-SALTS website home page. At the top left is the CV SALTS logo with the tagline "Salinity Alternatives for Long-term Sustainability". To the right are "Log in" and "Register" buttons and a search bar. A navigation menu includes "HOME", "ABOUT US", "DOCUMENTS", "COMMITTEES", "JOIN US", "RESOURCES", and "CONTACT US". A blue box highlights the "JOIN US" menu item, which has a sub-menu with "JOIN THE CENTRAL VALLEY SALINITY COALITION" and "PARTICIPATE IN CV SALTS".

Overlaid on the page is a diagram of the organizational structure. At the top is the "CV Salinity Leadership (formerly po...)" box. Below it is the "CV SALTS Executive Committee Maximum of 30 Members" box, which contains "CVSC Board Members CVSC Chair and up to 18" and "Leadership Group 6 SWRCB, RWQCB DWR, BOR, EJ, Env WQ". To the right is the "Regional Board and State Board Members and Exec. Management" box, which contains "Regional and State Board Staff". Below these are "Committee Chairs Up to 6" and "Working and Review Groups" (Public Education and Outreach, Economic and Social Cost, Technical, Other (future)). At the bottom left is a "CV Salinity Coalition" box with "Stakeholder driven and organized" and arrows pointing to "Other Groups (Future)".

On the right side of the page, there is a "Join CV-SALTS" section with the text: "Active Participants in CV-SALTS Drive the Process", "Keep Up to Date on Technical and Executive Committee Meetings", and "Ensure Your Issues are Understood, Learn and Participate". It includes links for "Join Committee Email Lists" and "Join the CV Salinity Coalition".

Click on the Participate in CV-SALTS

The screenshot shows the "Participate in CV Salts" page. The header is the same as the home page. The main content area has the title "Participate in CV Salts" and a sub-header "You Can Participate in CV-SALTS". The text reads: "If you utilize water in or from the Central Valley, you should consider participating in CV-SALTS planning processes. You may be regulated by the Regional Water Quality Control Board, you may pump or divert water in the valley, or you may live in a community with salt or nitrate issues. All of us contribute to increasing salt and nutrients in our use of Central Valley waters. If you are in a water using industry, your industry may already participate thorough your association."

Below the text is a form with the text: "If you would like to receive updates and agenda information for one of the committees listed on this website email:". There is a blue arrow pointing to the email address "dorzalli@cvsalinity.org, or use the Contact Us page."

On the right side, there is an "Event Calendar" showing a calendar for August 2013. The calendar has a grid with days of the week (S, M, T, W, T, F, S) and dates. The date 7 is highlighted in red. Below the calendar is a "Quick List" section with a link to "Executive Committee Meeting NOTES for June 20, 2013".

Click on the email address and Daphne will sign you up for which ever mailing lists you wish.

When you get the confirmation email the link will complete the registration. Click on the Login Button

The Site will look mostly the same, but you will have your name rather than Login button

If you are a manager of a committee or a proposal reviewer you would have specific access to edit content and upload files shown above and below. You may also have access to files not seen on the public site such as procurement etc.

Other than this the site is the same as any non-registered member would see.

We have access to the user manager to weed out the bogus users and add the list.

The screenshot shows the Joomla! Administration interface for the User Manager. The page title is "User Manager: Users". The interface includes a search bar, filter options (State, Active, Group, Registration Date), and a table of users. A blue arrow points to the first user, "Salinity Manager".
