Re: Mendota Participation in CVSC and CV-SALTS

Dear Ms. Creedon and Mr. Wass:

The Central Valley Salinity Coalition (CVSC) has received confirmation that the City of Mendota has become a member of the Central Valley Clean Water Association (CVCWA) and has provided funding for CVCWA participation in CV-SALTS. This complies with the CV-SALTS participation requirements for entities seeking to use CV-SALTS related policy changes. Because of their permit hearing we are issuing this letter and will request ratification from the CV-SALTS Executive Committee and CVSC Board of Directors. Should any issues arise we will communicate those to you.

We appreciate your support of the CV-SALTS Initiative.

Sincerely,

Daniel B. Cozad
Executive Director
Central Valley Salinity Coalition, CV-SALT
