

**Wednesday, October 28th, 12-1:30 PM - Webinar: "Regulating Groundwater Quality Across CV Salts, Irrigated Lands, and SGMA"**

- Join us for a panel discussion on how the Irrigated Lands Program (ILRP), the Central Valley Salinity Alternatives for Long-Term Sustainability (CV-Salts) initiative, and Sustainable Groundwater Management Act (SGMA) can work together to support water quality improvements across the San Joaquin Valley. Our panelists include:
  - Theresa "Tess" Dunham, Attorney with Kahn, Soares, & Conway LLP
  - Natalie Stork, Chief, Groundwater Management Program at State Water Resources Control Board
  - Jennifer Clary, California Director, Clean Water Action

*The panel will be moderated by Daniel Cozad, Executive Director of the Central Valley Salinity Coalition.*
