Subject: Consideration for Adoption of Revisions to the Salt and Nitrate Control Program (CV-SALTS); Central Valley Water Board Hearing 10 December 2020

Date: Friday, December 4, 2020 10:13:50 AM

 This is a message from the California Regional Water Quality Control Board, Central Valley (5).

The Central Valley Regional Water Quality Control Board will be considering adoption of the revisions to the Salt and Nitrate Control Program (CV-SALTS) Basin Plan Amendments to the Water Quality Control Plans for the Sacramento River and San Joaquin River Basins and the Tulare Lake Basin. This will take place at the Central Valley Water Board Hearing on 10 December 2020.

Please see the [Agenda](#) for viewing details and additional information.

Please see [Agenda Item #8](#) regarding the consideration of these revisions and the supporting documents.

As a result of the COVID-19 emergency and the Governor's Executive Orders [N-29-20](#) and [N-33-20](#), this meeting will occur solely via remote presence by video and teleconference, to protect public health by avoiding public gatherings and requiring social distancing. However, the Central Valley Water Board remains committed to transparency, and while this meeting is conducted remotely members of the public will be able to listen to and watch the meeting, and comment if desired. Please see the Board Hearing [Agenda](#) for current information on remote meeting viewing and participation as well as general information listed here:
