Central Valley Salinity Coalition and the Central Valley Regional Water Quality Control Board

Annual Salinity Leadership Group Workshop

CALEPA Building 1001 I Street, Sacramento, CA

Sierra Hearing Room

February 24, 2011 1:30 PM to 3:30 PM

Meeting Purpose

1. High level (Executive) overview of the program
2. Present successes, accomplishments, approach and framework, and funding plan
3. Obtain Critical feedback on overall direction and goals in the following areas
 - a. Basin Plan Policy and Regional Implementation
 - b. Funding Plan, partners and sources
 - c. CV-SALTS Future Implementation

Meeting Goals

- Develop understanding of CV-SALTS program, current actions and future efforts
- Continue to build a common vision, goals, benefits, and outcomes
- Expand commitments to participate and fund efforts
- Provide strategic direction and feedback on the next steps for CV-SALTS

Check-in begins at 1:15
