---

**PROPOSED ADDITION TO THE SIGN-UP PROCESS:**

**Once the individual has actually been added to the email list, they will receive the following proposed response:**

Thank you for signing up to receive information from CV-SALTS on the Salt and Nitrate Control Program implementation. It is anticipated the Central Valley Water Board will begin sending out Notices to Comply in March 2020.

We will use the contact information you provided for periodic updates on the rollout of the Salt and Nitrate Control Program. Please visit our [cvsalts.info](http://cvsalts.info) for the latest materials and resources.
