### **Discussion Items**

#### **Item 1: Welcome & Introductions**

- Participants are as indicated above.

#### **Item 2: Approval of Minutes of the August 18, 2020 Meeting Notes**

- The August 18, 2020 Meeting Action Notes were approved by consensus. There were no objections.

#### **Item 3: [Outreach Matrix](#) Update**

- Committee members were reminded to document all outreach on the matrix.

#### **Item 4: Support for Management Zones**

- Cristel Tufenkjian (KRWQC) asked if the committee was aware of any handouts, or other outreach tools, being used in any of the Management Zones to support the public outreach component necessary for development of the EAPs . Committee members were not aware of any such tools. Charles Gardiner will forward the list of Management Zone contacts to Cristel.
- Management Zone Formation Email Update – An update on the Salt and Nitrate Control Programs, and the July Webinar, is currently being drafted. The draft will be forwarded to the PEOC for review and comment. The plan is to distribute an email program update on a quarterly basis.
- Other General Support Needs for New and Existing Zones – None currently.

#### **Item 5: Salt Control Program**

- The committee selected the week of December 14<sup>th</sup> for the Salinity Workshop/Webinar. The webinar will be 1.5 – 2 hours in length. Potential speakers identified: Richard Meyerhoff, Daniel Cozad, Anne Walters, Tess Dunham. Charles Gardiner will contact speakers and identify the best date for the webinar.
- The mailing of Notices to Comply for the Salt Control Program is still pending USEPA approval but expected sometime in October.

#### **Item 6: Recap Next Steps and Set Next Meeting – Tuesday, October 20<sup>th</sup> from 3:00-4:00 PM**
